Foxwood, 12 January 2012

Docket #2007-286-WS
Docket #2011-515-W

Enclosed are approximately 90 signatures from residents of Foxwood about the issues we have with Utilities Services of South Carolina.

It has been very confusing to try and protest realistically with this company's lack of openness in business and accounting, combined with minimal and haphazard service.

We thank the Commission for its work on our behalf and pray that we might see a reasonable Water and Sewer bill in the near future, as well as water service that is of comparable value to the rates we pay.
